Dear Applicant,

Thank you for your interest in Home Repair Resource Center's Financial Assistance Programs (FAP). These programs are designed to help you complete important repairs to your home. HRRC will determine what financial assistance options are available and will help guide you through the process, but you will make the key choices along the way about which financial products, programs, and contractors to use. Depending on the scope and complexity of your project, the process can take from several weeks to several months.

To begin the process, we need to obtain certain personal and financial information as part of your application. The information we ask for is required by HUD but is also an important part of putting together an accurate and complete range of options for you and your project.

Included with this letter is a checklist of documents that you will need to review and provide to your HRRC coordinator as part of the application process. Please review this checklist carefully and make sure you provide all the documentation – if anything is missing, it may delay your application.

When you meet with your HRRC coordinator, they will review these documents with you, answer any questions you have.

Also included with this letter are the following:

1. An overview of the current programs, grants, and loans offered as part of the FAP – you may qualify for some of these. Your coordinator will review your application and documents and help you determine your eligibility. As part of that process, your coordinator will explain the rules and conditions for each of the applicable programs so that you can make an informed choice. Some initial stipulations before you proceed:
 - a. Each applicant must have proof of current homeowners insurance.
 - b. Residents are only eligible for our FAP programs every three years.
 - c. Mortgages must be current, and no liens held by HRRC.
 - d. Some programs have geographical and income eligibility.
 - e. Address must be primary residence and work cannot commence until HRRC states.
 - f. Funds will only be paid to contractors and not to homeowners.
2. A community resource guide. This is a list of other agencies, programs, and assistance that may be available to you. If HRRC does not offer programs and services to meet your needs, your coordinator will help to connect you with other sources of assistance.

If you have been referred to us by the court, do not delay in initiating this process. We cannot report your progress to the court if there is none. Please let us know if you have questions by calling 216-381-6100.

Sincerely,
HRRC Staff

Homeowner's Insurance Form

Maintaining homeowners' insurance is your protection should something happen to your home. Homeowners insurance is not a substitute for routine home upkeep and maintenance. This form is to confirm that you are aware of the protections that homeowners' insurance provides. HRRC will not be held liable for any claims that can be considered an insurance claim. HRRC will only work with insured contractors to protect you and your property from harm. By signing this form (Required), you acknowledge that fact and release HRRC from any liability resulting from the work performed.

If you are uncertain about the status of insurance coverage for your home, we recommend that you contact your mortgage company, an insurance agent or the Ohio Fair Plan. The Ohio FAIR Plan was established in 1968 to provide essential insurance coverage for eligible property unable to obtain insurance through the voluntary market. You can contact them Monday - Friday, 8:00am - 4:30pm Main: 614-839-6446 Fax: 614-839-2882. You can always call Home Repair Resource Center, and discuss this situation with one of our counselors at 216-381-6100

Model Bid Packet

Your coordinator will help you determine your repair needs – once you know what needs to be done, you can begin seeking bids.

HRRRC will not select the contractor. While we do not endorse particular contractors, we can provide a range of information and resources to help you find experienced and professional contractors.

During the application process, your HRRRC coordinator will need copies of written bids, registrations, insurance and bonding information before we can green light a project.

All projects under HRRRC's Financial Assistance Program and/or Senior Repair Program require at least three documented bids.

A documented bid includes the following:

- The contractor's name, physical address, and telephone number
- A written and itemized scope of work, including the work to be done, the quality/type of materials to be used, and a breakdown of the materials and labor involved.
- Agreement by the contractor to obtain all necessary permits and to do all work in compliance with local code.
- Specification of what, if any work will be subcontracted, and the name, address, and telephone number of all subcontractors to be used.
- Estimated start date and completion date.
- A copy of the contractor's registration with your current city.
- A copy of the contractor's general liability insurance policy and workers' compensation coverage, and/or that of any subcontractors, if applicable.
- A copy of the contractor's bond.

Addendums: Addendums are supplemental to the estimate and are for verification of specific issues within the scope of the project. The addendum does not take the place of a written estimate. Copies of the addendums are available from your counselor and are specific to major repairs. (Roofs, Driveways, Painting, Carpentry Repairs, Masonry, Etc.)
